

EVERY WEDNESDAY, 2:30-6:30 PM JUNE 28-October 11

The Plymouth Farmers' Market is an excellent opportunity for the community to gather, celebrate and experience quality foods, products and services. Therefore, in addition to vendor booths, the Farmers Market will provide space for one community table each week. The community table will be available to charity and non-profit organizations, as designated by the Market Manager for fund-raising, promotional and educational purposes.

To apply for the Community table, you must complete and return the attached application, including fee to the Market manager at least two full weeks before the date requested. No more than two market dates will be granted to any applicant. Any products being sold must be for fundraising purposes only. Fundraising products being sold must be approved by the Market Manager and must not be in competition with Market vendors. First priority will be given to groups associated with the City of Plymouth. The person applying will be held responsible for ensuring that the booth is staffed and the area is left in the same condition as received. Plymouth Farmers Market will supply one table (6 feet), two chairs and a tent. The organization/group is responsible for all marketing materials as well as a table cloth and any other materials needed.

Thank you for your interest in having a community table at the Plymouth Farmers' Market. Please fill out the community table application/agreement form attached. Forms not filled out completely or that do not include the fee will not be considered.
