GUIDELINES:

At least 3 courts will be available during open pickleball hours.

Pickleballs are provided, as well as some loaner paddles.

Games are played to 9, win by 2 (when others are waiting).

Participants may need to help set up and take down nets/equipment.

Use the “NEXTuP” cart to reserve the next available court.

If waiting for a court, place your paddles in the first open slots in the cart.

Place the “NEXTuP” slider by the paddles next in line for a court.

If more than 12 are waiting to play, both sides of the cart will be used.

Place the Pickleball hook on the side of the cart to indicate which paddles are up next.

When paddles are gone on one side, the pickleball hook is moved to the other side of the handle to indicate those paddles are up next.

Pickleball hook rotates back and forth on either side of cart handle until 12 or less are waiting.
