

# Plymouth Parks & Recreation SPONSORSHIP PROGRAM

Dear Business or Organization Representative,

The City of Plymouth hosts a variety of community events throughout the year, bringing people together to foster community identity and pride with fun and exciting activities. These events would not be possible without the support and partnership of local community businesses and organizations. This is an invitation for you to partner with us and promote your organization or business in conjunction with Plymouth events.

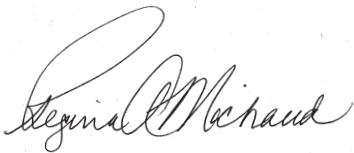

As an event sponsor, your organization will receive visibility through a variety of marketing materials, event signage and/or media coverage. Included in this mailing is a sponsorship opportunities flyer which indicates the different promotional benefits your company would receive at each sponsorship level. Also included, is a sponsorship pledge form for your convenience.

Hopefully, you will find a sponsorship opportunity that suits your company's vision and interest from those indicated. However, if what is presented doesn't fit with your organization's interests but you would like to partner in another way, please contact me at your earliest convenience. Sponsorship opportunities are limited in number. Therefore, we encourage you to contact us to discuss your sponsorship as soon as possible to ensure you receive the sponsorship level of your choice.

Note: Inclusion on marketing materials and press releases for individual events is dependent on the timeliness of the sponsorship pledge submission. Please contact me at your earliest convenience to determine availability and appropriate timelines for the sponsorship opportunity of your choice.

Thank you for your time and consideration.

Sincerely,

Regina Michaud
